

**Digital 3/14**  
**Prof Tommaso Valletti**

**title:**

**Confronting Market Power of the “Big Tech”: Who Knows  
What and Why that Matters?**

**abstract:**

**Tommaso Valletti is a professor of economics at Imperial College London, a former Chief Competition Economist of the European Commission (2016-2019), and a Non-Executive Director to the board of the Financial Conduct Authority (2019-2022). He will discuss his experience as academic and policy-maker dealing with the increasing power of Big Tech platforms.**
